

## Milk for your child

All Nursery and Infant Children are entitled to a *free* portion of milk (1/3<sup>rd</sup> of a pint) each day, until their fifth Birthday. All children under five are offered milk each day.

If you wish your child to continue to have milk after their fifth birthday, please complete the slip below and return to the office. The cost is 25p per day, payable in advance via ParentPay.

The rules of the scheme mean we can only offer semi-skimmed cow's milk.

Any questions, do contact the school office.

Thank you.

I would like my child named above to continue to have milk at school and agree to pay for this once they become five years old. I agree to pay for milk, once my child is removed from the free milk register. (The current cost is 25p per day. We will advise if there is an increase prior to take up)

You will need to pay in advance to the next half term and then pay half termly in advance. We can advise you on the amount you need to pay.
