

## **Primary School PE and Sport Funding 2018/2019**

For more information from the Department of Education about Primary School PE and Sport Funding use the following link.

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools#allocations-and-conditions-of-the-grant>

### **What is the Sports Premium?**

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles and should:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

### **Purpose of Funding**

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

## How will we be spending the Sports Funding and who will benefit?

The Governors agree that the money must be used so that : all the children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in inter-school tournaments; that staff have access to training opportunities and continued professional development.

The table below shows how we intend to spend the sport funding during 2018/2019

<b>Sports Coaching</b>
<p>We have continued to employ a Sports Coach to work with each class from YR – Y2 for an hour each week from September 2018 who works alongside the class teacher</p> <p>Pupils should be taught to;</p> <ol style="list-style-type: none"><li>Travel with, send and receive a ball and other equipment in different ways</li><li>Develop these skills for simple net, striking/fielding and invasion type games</li><li>Play simple competitive net, striking/fielding and invasion type games that they and others have made, using simple tactics for attacking and defending</li><li>Children will learn a variety of sports including; football, cricket and tag rugby</li></ol>
Hiring qualified coaches to work alongside teachers when teaching PE
The school has used the sports coach to deliver lessons alongside the staff. Not only have the children benefited from being taught by specialist staff, but our own staff will be developed through sharing good practice. The coach has arranged for team games (football) to be played with other local schools and the school has taken part in local schools inter games matches for KS1.
<b>Sport and Dance</b>
<p>Children have the opportunity to attend clubs at a reduced cost and some pupils maybe identified as more able and be funded to attend</p> <p>This year we have offered the following clubs:</p> <p>Multi skills Football Street dance</p>
<b>Sports Day</b>
As a way of encouraging competitive sports, the pupils from Nursery will take part in an annual sports event and compete for their team. The funding ensures equipment is up-to-date to run multi events so children are all taking part in events concurrently and that children can receive certificates.
<b>Forest School and Outdoor Learning</b>
The funding contributes to Forest School where children walk to the local woodland each week and participate in outdoor learning including orienteering, tree climbing, team games etc

## **Outdoor Learning**

As part of the school development plan the EYFS area is being upgraded to include two new active playground areas. Some of the funding will contribute to these areas which are due to be installed during Spring 2019
