

## Mrs Bland's Nursery. Week 5 Knowledge Organiser 23rd March 20

There are lots of things you could be doing at home this week.

We have been learning Mary had a little lamb as our nursery rhyme of the term. See if your child can teach it to you.

In maths we have been looking at numbers to 20 and seeing if we can recognise each number out of sequence.

The children have been very engaged in writing activities these past few weeks... lots of them trying to write their names and sounds we have learnt. Make sure they remember to hold the pencil like 'beaky bird'

There are some lovely online sites that are now free during this difficult time.

Joe wicks is leading the nation with a PE session at 9-930.

The children have been using topmarks website in nursery... numbers to 10 and shape and pattern activities. They should be able to show you how.

Phonics play is also free at the moment using codes march 20 and home. We have used this for help with our sounds and recognising letters.

Please let your children know the nursery caterpillars are being looked after and i think one is starting the cocooning process!! I'll keep you updated !!
