

Mrs Bland's Infant and Nursery School

Home Learning: Update 27th March 2020

Dear Parents/Carers

I hope you are all well and have at least been able to enjoy the sunshine we have been fortunate enough to have this week?!

In addition to the learning packs we gave out last week, we have added lots to the website to help keep the children busy during the school closure. Every Monday, a new home knowledge organiser will be added to your child's class page.

The knowledge organisers will include ideas and practical activities that the children can work on whilst they are at home. There is also a page dedicated to home learning resources which provides you with lots of links and activities for the children to learn from and enjoy! The easiest way to get to this is through our link on the school homepage.

Please don't feel immense pressure when it comes to home schooling your children. There is no expectation of how much work needs to be completed and for how long and we would suggest little and often is the best approach.

If you need to contact the school, you can either phone 01189 832332 or email the main office on MOffice@mrsblands.w-berks.sch.uk. The main school phone is working but has been diverted so it may take a little longer to get through to someone.

Stay safe, stay at home and take care of yourselves!

Mrs Williams
