

Invitation to Participate in SEND Young Person Survey

West Berkshire Council are in the early stages of developing a new SEND Strategy which will run between 2023 and 2028. As part of this work it is important that we listen to the views of children, young people and young adults with SEND.

We would like to invite you to participate in our survey to share details of your experience within West Berkshire. This survey is intended to capture the views of

- Any child or young person with SEND up to the age of 18.
- Any young adult with SEND up to the age of 25.

Our SEND Young Person Survey has been developed in partnership with the West Berkshire Youth Forum and Parent Carer Forum. Depending on what is appropriate for each young person, the survey has been designed to be completed by SEND young people individually, 1-2-1, or with a professional or trusted family member as part of a group.

The survey can be accessed via this link
<https://forms.office.com/e/ykFJaNyVQJ>
and via the QR code:

To ensure we get as wide a response to this survey as possible, this survey will run until Friday **26th May 2023**. If you have any questions about this survey or the SEND Strategy, please contact the SEN Team:
