

## The Coronation Design Challenge

### Create a Royal themed panel for our Giant Bunting!

Get creative and be a part of the Coronation celebrations in Newbury and design your own piece of Coronation themed artwork. We will join each piece into our **GIANT Coronation Bunting** that will adorn our building for the Coronation event for all of Newbury to enjoy.

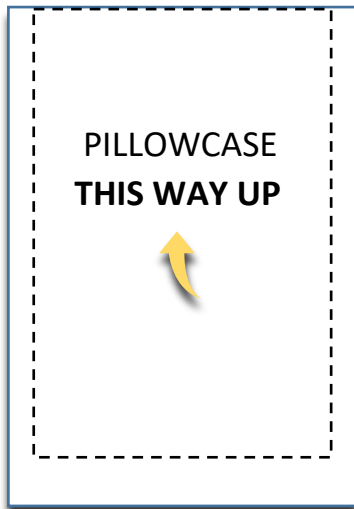

### The design brief

Using **one side** of an *unwanted* pillowcase (that's important before you start customising someone's favourite Egyptian pillowcase) design and create your artwork. Please have your pillowcase portrait (long side up). You can use paint to create your design or if you prefer it could be a textile creation, or try sewing other things on and mixing things up. When you've finished, bring it to the Corn Exchange by **Friday 28 April 2023** and we will turn the panels into our giant bunting ready for displaying.

### Important information

*We will be hanging our giant bunting outside, so whatever you create, it needs to stand up to the weather. Use a waterproof medium (acrylic paints are perfect) and anything that you stitch on or attach needs to be weatherproof and attached securely so that it will survive any wind and rain that may come our way.*

### What do I need?

1 x Pillowcase – any colour you like  
Art/craft materials – Acrylic paints - Dash of imagination!

### What do I do?

Create your own royal themed design in any medium you like on one side only... make sure that the pillowcase is portrait, so that the designs can all hang the same way.

### Design tip!

*Your artwork will be viewed from a distance so think about making your overall picture strong and dynamic. A tiny design and subtle details might look amazing close up but will be hard to see when it's hanging up high. And don't be afraid to fill the whole space!*

### SCHOOLS COMPETITION WIN an intergenerational project for your school!

We will be choosing **two** winning designs that will each **WIN** an amazing prize for their school or college. **1 Best primary school entry** and **2 Best Secondary/college entry**

*The Prize: You will be visited by a professional poet and author who will work with you at your school with our 'Words Together' project to create some amazing poetry that you will take to a local Care Home. The residents will have worked on the same project as you with the same poet and when we all visit them, you will all share and compare what you have created.*

**IMPORTANT:** Please write your **name** and your **school/college** on the back of your pillowcase so that we can contact you if you are one of our WINNERS!

**All artwork to be handed in to the Corn Exchange by Friday 28 April 2023**
