

## A CHANCE FOR YOUR CHILD TO BE COACHED BY A READING FC LEGEND!

READING FC legend Dave Kitson has launched his new football academy – The Dave Kitson Academy – giving your child a chance to experience one-to-one and group coaching sessions with him. The coaching sessions are for boys and girls of all ages.

Dave – who was Reading’s top goalscorer as they won promotion to the Premier Division for the first time in the club’s history – is also offering coaching vouchers as Christmas gifts, if you are stuck for Christmas present ideas for your children.

If you are interested in booking a one-to-one or group coaching session with Dave for your child, or the vouchers, you can send an email to: [info@davekitsonacademy.com](mailto:info@davekitsonacademy.com)

For more information, visit: [www.davekitsonacademy.com](http://www.davekitsonacademy.com)

Please feel free to spread the word about the above to any parents you know who you think will be interested in Dave’s coaching sessions for their children.
