

## Corn Exchange Newbury Supper Club

We are pleased to have recently been awarded funding from Greenham Trust to establish a supper club scheme. The scheme is to support families who may be struggling financially due to the cost of living or, if you are school staff, it may be those families who are in receipt of Pupil Premium.

Since you are all working to support members of the community, or delivering community activity yourselves across West Berkshire, I wanted to share the initiative with you, should you know families who may value the invitation, or if you are able to share with other colleagues who support families. **We want to be reaching those who can really value this opportunity and therefore reaching out to you on behalf of anyone who you feel may find a hot meal for their family on a Wednesday evening a welcome option.** We're happy to receive expressions of interest via you or your colleagues for families, or from the families themselves (further information about how to book places is below).

### What is Supper Club?

**Supper club** will run twice a month in the **Corn Exchange Balcony Bar** from **4pm – 6pm on Wednesday evenings**. A free of charge set meal with pudding will be provided, alongside a creative activity pack for the children in any group attending.

Spaces are free but limited in number. Families will need to contact our Front of House Manager either themselves by email (information below) or via you as their community support contact, to express their interest. Spaces will be confirmed directly to the family by email confirming the date and time of their booking.

While the hot meal will be set, dietary requirements will be catered for.

If you work with or are in contact with any families who you think would benefit from attending, please do send them the following information and encourage them to email my colleague **Hannah Roche** at [hannahr@cornexchangenew.co.uk](mailto:hannahr@cornexchangenew.co.uk) or you can arrange the booking with Hannah Roche on their behalf.
